HOW TO ACCESS PREMIUM TV CHANNELS

Premium TV Channels are only available for home use while on an Authorized Providers internet service connection. Premium channels are not available for mobile viewing outside of the home.

Purchase the CipherTV Bar

The CipherTV Bar is a fourth generation Android based hardware designed for smooth IPTV broadcasting and home entertainment. CipherTV bar features an integrated video camera for Skype and video chat, and open access to Google Play. With the CipherTV Bar, you have access to the CipherTV App for streaming local over-the-air TV channels and ability to order Premium TV Channels through an authorized CipherTV Service Provider when on their internet service plan.

Order Premium TV Channels through an Authorized Internet & TV Service Provider

All Premium TV Channels are only available through a CipherTV Authorized Internet Provider. End users must use certified CipherTV hardware and be on the Authorized Provider's own network to order and receive premium TV channels. All Premium TV Content subscription include the CipherTV App User License for up to 1 concurrent login on your CipherTV Bar or mobile devices.
